Subject: Additional 105 Units for Kenner Results

IV Waste,

Per Nik, since these Residents have Ramelli Carts, they should get IV Waste Carts Delivered to them.
I can coordinate for this to happen.

Approved ?

THX

Sidney > I will get with Nic in the morning, ask him to Drive me to the 105 Units that I Audited on Tammy Dr., Taffy Dr., 34th St., & Kentucky Ave. None of these Addresses are in the Data, and as we discussed, these Units have Ramelli Carts at them, no Dumpsters in site. Keep you posted on the outcome.
