Subject: Re: Kenner December 2019 invoice

I will go through the invoices this morning to determine the number of trucks used but don't see the recycling collections days and Ramelli's website isn't working for me. I will ask about recycling days today in a subtle way

This looks like 7 trucks. I need to put it on a calendar to see if they run more in the beginning of the week.

We really need to get something for the boom truck
