Good evening Julie:

I believe that a meeting to work out the agreement is a good idea. But if I am the only one there from Kenner, you would not have all of the necessary decisions makers present.

Let me get with Ben, Deborah, and Leigh to figure out the best time for everyone's schedules.

Good evening Ed,

Please let us know if you have time to meet with Sidney, John Litchfield, Nick and I on Tuesday February 11th, early afternoon around 12:30. John represents us on other projects and we think it is best that we all sit down so we can get through this more efficiently.

Enjoy your weekend,

Julie

Attached is a draft of the proposed contract. This is not written in stone and is subject to change, as it has not been reviewed by all parties here in Kenner, but this lets you get started on your review. I still have to check internal references.

Let me know if you have any questions.
