Re: **Kenner Recycling Carts**

Dear Patrick:

It has come to our attention that Ramelli Janitorial Service, Inc. will begin performing curbside recycling services for the City of Kenner on March 1, 2023. IV Waste disputes that the City of Kenner had the authority to suspend or terminate IV Waste's performance of curbside recycling services, and IV Waste has filed a claim for declaratory relief with the 24th JDC to assert and protect its rights.

Please be advised that IV Waste does not give Ramelli Janitorial Service, Inc., or anyone associated with or acting on its behalf, permission to use, operate, move, empty, handle, or otherwise do anything that may cause damage to the 35-gallon roll-out recycling carts that were distributed by IV Waste in Kenner and which remain IV Waste's property. IV Waste will take any and all legal action necessary to respond to any conversion of or damages caused to its property by Ramelli Janitorial Service, Inc.

As I am uncertain as to whether you represent Ramelli Janitorial Service, Inc. with respect to these issues, I am also sending a copy of this letter by certified mail to Robert Ramelli as the registered agent for the company.

With kind regards, I am

Sincerely,

Jennifer Thornton
