35	Earline Torres	Individual	jtufaro@gmail.com	Earline Torres	Outgoing	Good lord! I told Sidney on Friday that I really thought IV Waste was going to fail when he didn't see the real issue. I explained that I poured my heart out in his office with y'all because it was so clear to me. I need to stay on our team. Santana is so up and down so I'm going to have Brittany follow Santana and Amy (from Pelican) for a while so we have coverage in case Santana snaps. Ms Mary told me last night that Santana and Amy still talk. Poor Santana is naive to think that Amy considers her a friend.
