· Recycling Tickets 5-1-2020-5-31-2020.pdf (790 kb)

These tickets are beautiful things, especially after I was told by others that recycling could not be weighed. (And I believed them.) Once we get past the tropical storm, I would like for the four of us to get together, by Zoom is fine, and go over the reports we are expecting based upon the contract.

We want Julie's 1st set of reports to hit it out of the park and set us up for future success all around. A lot of eyes will be on these. Let's show them we were right.

Jamie, will you schedule for us next week after we are back from the storm? Wednesday or later.

Thanks all.
