As of today, we are at 2802.44 tons at RB for July and we need to bring 3,000 tons to capitalize our discount this month. Historically, we bring 251 - 280 tons to RB on Wed – Fri from FELS alone.

This doesn't include rels or roll offs the rest of the week.

Jenny will give us a total tomorrow, so we can determine if any of the bulk Kenner cans need to go to RB on Thursday.
