Ramelli is not on it, that's what she just told me. Do you want them to go dump it?

Good Morning Julie,

This is the pictures that we talked about yesterday and you said we can't pick up this personal can. Can you please call this lady because she was highly ticked off And asked to speak to Sidney. She said if this wasn't resolved she was calling her higher up people.

Sandra Callero 504-275-8336

Thank You,
